¹ Notice Initiating Docket(s) for Recent Postal Service Negotiated Service Agreements, January 31, 2023.

includes a Statement of Supporting Justification, a certification of compliance with 39 U.S.C. § 3633(a), and a copy of Governor's Decision No. 19-1. The Postal Service also filed (under seal) a contract related to the proposed new product, and supporting financial data.

According to the Postal Service, Priority Mail Express International, Priority Mail International & First-Class Package International Service Contract 13 is a competitive product "not of general applicability" within the meaning of 39 U.S.C. § 3632(b)(3). *Request* at 1. The Postal Service also maintains that the prices and classification underlying the instant contract are supported by Governors' Decision No. 19-1.³ The Postal Service further asserts that the Statement of Supporting Justification provides support for adding Contract 13 to the competitive product list and the compliance of the contract with 39 U.S.C. § 3633(a). *Request* at 2.

The contract's effective date will be established as soon as possible, but no later than thirty (30) days after Commission approval. Attachment B at 3. The contract is expected to expire March 31, 2024, on account of the expected effective date falling between December 2, 2022, and March 31, 2023, unless (1) terminated by either party with 30 days' notice to the other Party in writing, (2) renewed by mutual agreement in writing, (3) superseded by a subsequent Agreement between the Parties, (4) ordered by the Commission or a court, or (5) required to comply with subsequently enacted legislation. *Id.*

COMMENTS

The Public Representative has reviewed the instant contract, the Statement of Supporting Justification, and the financial data and model filed under seal that accompanies the Postal Service's Request. Based upon that review, the Public

³ Decision of the Governors of the United States Postal Service on Establishment of Prices and Classifications for Domestic Competitive Agreements, Outbound International Competitive Agreements, Inbound International Competitive Agreements, and Other Non-Published Competitive Rates, February 7, 2019 (Governors' Decision No. 19-1).

Representative concludes that Priority Mail Express International, Priority Mail International & First-Class Package International Service Contract 13 should be categorized as a competitive product and added to the competitive product list. In addition, it appears that the instant contract will generate sufficient revenues to cover costs during its term and thereby satisfy the requirements of 39 U.S.C. § 3633(a).

Product List Assignment. Pursuant to 39 U.S.C. § 3642, the Postal Service requests that Contract 13 be added to the competitive product list. 39 U.S.C. § 3642 requires the Commission to consider whether the Postal Service exercises sufficient market power that it can effectively set the price of such product substantially above costs, raise prices significantly, decrease quality, or decrease output, without risk of losing a significant level of business to other firms offering similar products. 39 U.S.C. § 3642(b)(1). Products over which the Postal Service exercises such power are categorized as market dominant while all others are categorized as competitive.

The Postal Service makes a number of assertions that address the considerations of section 3642(b)(1). *Attachment D.* These assertions appear reasonable. Based upon these assertions, the Public Representative concludes that the Postal Service's Request to add Priority Mail Express International, Priority Mail International & First-Class Package International Service Contract 13 to the competitive product list is appropriate.

Requirements of 39 U.S.C. § 3633. Pursuant to 39 U.S.C. § 3633(a), the Postal Service's competitive prices must not result in the subsidization of competitive products by market dominant products; ensure that each competitive product will cover its attributable costs; and, ensure that all competitive products collectively contribute an appropriate share of the institutional costs of the Postal Service. Based upon a review of the financial data, the negotiated prices for Contract 13 should generate sufficient revenues to cover costs during the term of the contract and therefore meet the requirements of 39 U.S.C. § 3633(a).

Finally, the Postal Service must file actual revenue and cost data for Contract 13 in future Annual Compliance Reports. These data will permit the Commission to

annually review the financial results for Contract 13 for compliance with 39 U.S.C. § 3633(a).

The Public Representative respectfully submits the foregoing comments for the Commission's consideration.
